

It's the **Eleventh Hour** in your design process...
and you can't find the linear bearing you
really need. Stuck with a catalog option that
isn't **EXACTLY** what you wanted?

At LM76 we supply the linear bearing you need - *pure and simple*. No company offers as many off-the-shelf versions of self lubricating, ceramic coated and stainless linear bearings as LM76. What you see is only a fraction of what we design, produce and deliver. Each 1" standard linear bearing shown above has its unique advantages. So you can specify a linear bearing "**distilled**" to match your design goals. Let us review your application and put our 71 years of plane bearing experience to work for you.

Whether it's aerospace, medical, semiconductor, food process (FDA/USDA Compliance/Wash-down), marine or general industry, LM76 has the hand's-on-experience that truly make's a difference. LM76 will work with you throughout the entire design process to ensure we *asked and answered that last question.*

Don't let your design be less than you desire... Call the pro's, LM76 linear Motion Bearings.
